PRESIDENT'S MESSAGE

On behalf of the Director's of soccer West Coast, I would like to introduce the 2001 Soccer Year Book to all the winners in the year 2000 go our heartiest congratulations, and to all the other participating clubs, go our thanks for your efforts in making our competition a success.

The Board of Soccer West Coast has made some dramatic changes to our First Division fixtures in an attempt to develop and foster the game, and to increase availability for our Sponsors. This combined with a 10 team Premier League will ensure that Soccer West Coast can again feature prominently in this year's sporting calendar.

I would like to recognise our Major Sponsors for this year, and all the other sponsors who have contributions allow Soccer West Coast to provide the just records that our clubs strive for.

I cannot give enough thanks to the many volunteers who work so timelessly for their respective clubs. They indeed are the backbone of this great game of ours.

I also want to commend our State Team, and the Coaching Staff for their efforts, all who have given a great deal to the sport as we continue to look to the future.

Indeed, what does the future hold? Soccer West Coast's continuation with Western Lightning continues it's bid for the Second NSL Licence, and we hope a decision will be made by Soccer Australia by the end of April 2001.

We are negotiating for more great club sides to visit Western Australia, just as Red Star Belgrade did in January 2001. There are plans for our State and Youth sides to undertake overseas tours during 2001.

My thanks to Paul Tombides, General Manager for his support and his successful negotiations with our Sponsors, and a special welcome to Angela Murphy, who is now our full-time Office Administrator.

In extending my thanks to my fellow Directors, and all of you who have supported us this far, let me also seek a closer and positive link, so that we may continue to advance the World Game.

Please enjoy the 2001 season.

David Schrandt
PRESIDENT

FROM THE GENERAL MANAGER

The foundations have been laid and infrastructure put in place by the Soccer West Coast Board to ensure benefits filter through to clubs players, fans and sponsors.

Clubs are investing and developing in youth programs to ensure future success and viability in local soccer.

The fact that the Perth Glory have snapped up local talent such as Gary Faria (Fremantle City), Todd Harnwell (Sorrento), Anthony Danze (ECU), Antonio Naglieri (Cockburn City) and striker Nick Mrdja (Perth) all in the last three months suggests that we have superb development programs in place within

our clubs.

Others might believe the Glory have signed all these players due to the speculation about a second NSL Licence being issued to Soccer West Coast.

The Glory's local talent such as Jason Petkovic, Bobby Despotovski, Scott Miller and Captain Gareth Naven are the most consistent performers the Club has. This suggests that despite what the critics and cynics might believe we are doing it right and will continue to fine tune and further improve youth development.

For those who have been fortunate enough to see our States Under 23's it is obvious we are ready for the second licence. Only poor decision making and politics will delay the inevitable.

I would also like to take this opportunity to thank the member clubs for eventually supporting the Board's decision to increase the Division One from 14 to 17 clubs. Initially they may be some teething problems but already there is added incentive for clubs to play off in the major finals.

The Boards philosophy behind this decision is to basically grow the competition and introduce regionalisation. Controlled growth over the next two years will stabilise our organization and allow us to consolidate financially.

Our major objective from an administrative point of view is to become more efficient and improve the communication between the office and our clubs, which will be aided by the recent appointment of Angela Murphy as a full time Administrator.

A special thanks to our major sponsors which include AAPT Cellular One, Midland Brick, Boral, National Homes and McInerney Ford not failing to mention our second tier sponsors and also our minor sponsors which all contribute to the success we achieve.

Season 2001 should prove as intriguing as any other and I would like to wish our 27 Member Clubs best of luck in the coming season.

Thanks to our Board who play a major role in our development headed by President David Schrandt, Treasurer Liam Twigger, Sponsorship Director Sisy Kramer, Fixture / Ground Criteria Directors Keith Jones Vice President Tom Mijatovic and finally the man who wears two hats as a Director and major sponsor Denis McInerney.

With reference to SAWA and the current restructure of Soccer we can only wait and see if we become beneficiaries and finally receive some financial support from the Government, which we haven't seen for a number of years.

McINERNEY FORD GOLD MEDAL 2000

The McInerney Ford Gold Medal night at the Hyatt Regency last October equalled any presentation previously held as it was a night of pure glamour and compliments must go to the Hyatt, and the Soccer West Coast staff.

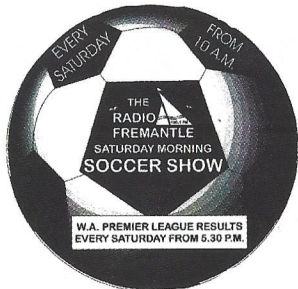

The final voting slip of the evening gave Bayswater City midfielder, Alan MacKenzie a one- point lead over Swan IC's Carlo Scali. Early leader, Adrian Rawlings also shocked a few of the other fancies, and again Western Knight's dual winner, Andy Wright poled 17 votes.

In summary, it was a spectacular night, and many thanks to Board Member and Major Sponsor, Denis McInerney, for again supporting local soccer.

Stirling Lion's classy midfielder, Jim Merkouris took out the Division One award, and it was a night that all clubs enjoyed the opportunity to celebrate their season success.

STATE TEAM PLAYS RED STAR

An outstanding performance from WA State goalkeeper Cory Hugo frustrated Red Star Belgrade in a challenge match at Litis Stadium.

Mihajlo Pjanovic opened the scoring in the fifth minute while the WA defence was still settling into the pace of the game and Dragan Stevanovic sealed the win with a goal, which allowed just enough time for a restart before referee Eddie Lennie signalled full-time.

Pjanovic's goal was simple enough – he drilled his shot to Hugo's left, but it came at the end of an exhibition-like exchange of passes and was greeted with a red smoking flare thrown onto the pitch.

Instead of succumbing to defeat, the WA players stuck to the task and kept out a series of Red Star chances.

Sandy Robertson's ambitious effort from long range and Doug Ithier's attempt to connect with Trim Morgan's testing cross provided WA with early hope against a Red Star side clearly playing well.

Hugo, who had a great season with Swan IC last year, turned away a succession of Red Star's best efforts – from Ivan Gvozdenovic and Pjanovic in the first half and Vladislav Mirkovic after the break.

But he kept his best for the closing minutes with a one-handed save from Nenad Miljkovic's powerful heading.

Just a minutes later, though, the WA goal was breached again when Stevanovic tucked away the visitor's second.

Goran Drulic, on the brink of a \$30 million move to Italy's AC Milan, came out for the second half but had few opportunities to delight the crowd.

WA Coach, Paul Wormley said he was disappointed to concede goals early and late but praised a gallant WA side.

"It's a crying shame we conceded that late goal because I think 1-0 would've been a lot more respectable result when you look at it down the track", he said.

"I thought it was a supreme effort all round, especially when you consider the guys have had just two and a half weeks in training". "It really shows the character of our guys because they did contain Red Star for parts of the game".

But he conceded WA would have lost by more if not for Hugo's excellence.

2000 MIDLAND BRICK NIGHT SERIES

Floreath Athena came from finishing second in their group to crush Inglewood United 6-0 in the final. Perth S.C. finished top of the group undefeated winning 4 and drawing 1, scoring 16 and only conceding 2. ECU Joondalup racked up 7 points from 2 wins, a draw, and 2 losses, but conceding 10 goals did not help them.

Cockburn could only manage 1 win out of their 5 games, to reach 6 points out of 15. Swan S.C. drew two games, and found scoring goals difficult only getting 2 in the five games. Dayswater City got just the one point, and conceded a massive 20 goals. In the other group, Fremantle City Finished top but like Perth, S.C. could not make the final; they won 4 and lost 1.

It was Inglewood who reached the final winning three games and drawing two, their defence carried them through only letting in three. Western knights won 2, lost 1, and drew 2. Newcomers Rockingham City and Ashfield Bunbury found the going tough. Ashfield could only manage a draw whilst Rockingham had just the one win.

In the final Floreat's glut of goals started in 7th minute with Vas Kalogerakos scoring, this was followed by three goals in three minutes, an own goal, then Peter Coci and Scott Daley making it four before half-time. Inglewood could not stop the Floreat side in the second half, Daley got his second and Troy Bernard completed the rout.

FRED BURFITT & HANK BEUMER

Fred Burfitt

A referee in the late 1950's and early 60's. Joined the Federation Board in 1962, and went onto become Vice President and State Team Manager, and Life Member.

Hank Beumer

Hank was Captain/Coach of the Windmills from 1950-1954, and qualified as a referee in 1955.

Hank was a founder member of Windmills SC and served in various positions with the club. He also served on the Federation League of Management.

In 1979-1985 served on the Federation Board of Control.

In 1990, Hank became a Life Member of the Soccer Federation of WA.

During the past twelve months two Soccer West Coast Life Members passed away. Both Fred Burfitt and Hank Beumer were tireless workers for our great game.
